Issued on: 27 July 2024

GGAISJ24-MNNITAx029

Google Developer Student Clubs MNNIT Allahabad

3 Activities

1. Introduction to Generative AI – Prompt Design in Vertex AI
2. Gemini for Google Cloud
3. Gen AI Arcade Game

This is to certify that

Ayush Varshney

has successfully completed the Google Gen AI Study Jams 24 organized by GDSC MNNIT Allahabad from 1st May 2024 to 28th May2024.

This achievement reflects a basic understanding of the fundamental concepts and practical skills required to navigate and work within Google Cloud using Vertex AI and Gemini. The list of activities are listed.

Congratulations on this accomplishment, and we encourage them to enhance their expertise and career opportunities using Google Cloud and Generative AI fundamentals that they have learned from this Study Jam.
